

Chayathorn Charoenratwutikal

(+66) 98-742-2408 | Bangkok, Thailand | resume+ike@chythrn.cc | chythrn.cc

EDUCATION

Suankularb Wittayalai School

High School

Bangkok, Thailand

May 2021 — Present

- Cumulative GPA 3.8
- Upper Secondary English Program (EPLUS+)

PROJECTS

Backend & DevOps Engineer, MySK (mysk.school)

June 2023 — Present

- Maintained an open-source monolithic Rust API service powering an internal student platform for over 3,500+ students & faculty, enabling faculty lookups, classroom data exports, attendance tracking, and integrated with other specialized school events
- Authored over 7,000 lines of production Rust code via the `actix-web` and `sqlx` libraries
- Led teamwide DevOps as the technical lead of the backend team, introducing standard development environments with Docker and Nix devshells

EXTRACURRICULARS

SK Openhouse 2026

December 2025 — January 2026

- Technical consult to the student council and core backend developer for Suankularb Openhouse 2026, building a full-stack platform managing sign-ups, lecture registrations, and prize distribution throughout the event
- Developed back-end services that sustained 1,600+ concurrent requests during peak hours of the event with zero downtime, ensuring a seamless registration & check-in experience for all users

Suankularb Exhibition 2024

September 2024 — October 2024

- Co-organized the Technology & Development Club's exhibition room, overseeing setup, live demos, and visitor engagement for 900+ attendees as a core organizing staff member
- Contributed to the development of the event's interactive RPG-style web experience, where attendees progresses through the story by collecting clues across 3 exhibition rooms to complete the narrative and receive prizes

1st place, 2023 NZAsiaTech Code Camp

August 2023 — December 2023

- 1st place winner at NZAsiaTech Code Camp 2023 amongst contestants from 6 different countries in Asia.
- Created a website showcasing Thailand's statistics, initiatives, and actions on climate change in accordance to the United Nation's SDG #13

CERTIFICATIONS
